This is Eastern 1956-57 as seen through the eye of the Warbler camera—and the theme is you. We have attempted to portray this college as it appears to its 1900 students every day, without adding any unnecessary frills. We tried to look beyond the bricks and steel and depict the school as a group of individuals striving for a common goal.

Quincy Doudna, former Dean of Administration at Wisconsin State College, Stevens Point, became Eastern's third president last fall, succeeding Robert G. Buzzard, who retired after 23 years as Eastern's president.

Welcome, Mr. President

President Quincy Doudna

During the first year that one is president of a college, his life is filled with a great variety of "firsts." There is the first assembly, the first faculty meeting, the first board meeting, the first budget, the first football game, the first homecoming, and even the first cup of coffee in the cafeteria. His life is filled with big challenges and, on occasion, with little annoyances. Fortunately, at Eastern this year the challenges have been many and the annoyances few.

And now, as the year ends, comes my first expression of good wishes to a graduating class. May your lives, too, be filled with the biggest of challenges, and may your years at Eastern have contributed much that will help you meet them.

At Home on First Street

The Camera Catches . . .

... Eastern - 1956-57

College would be all right
if it weren't for those eight
o'clock classes.

Coffee breaks—world problems solved and tonight's date
discussed in ten short minutes.

Just enough time for a well-rounded
breakfast of black coffee at the
Campus before heading to class.

*Crowded hallways, hallowed we might add,
make the ten minute break between classes
seem much shorter than it should be.*

This is Eastern 1956-57

This is Eastern 1956-57. The girl happens to be Gail Flenner, but she might be any student matriculating at Eastern. She does not, necessarily, represent the typical student; rather we chose Gail because we felt she represented the more active student. The scenes depicted in this story take this student through an average day in her life, and, at the same time, show a great deal of the average day at Eastern.

What could be more
nervewracking t h a n
the first s p e e c h in
Speech 345? Espe-
cially when you for-
got to outline.

It Takes a Lot of Work . . .

*Band practice takes time and much
work every week of the year.*

*Back to Pem Hall and the gals to
talk over the morning's work.*

Bull sessions are an important part of any college student's life.

Lunch provides an opportunity to discuss events of the morning.

... This Higher Education

Back to classes and the learning process continues, we hope.

*Two hours of study for
one hour of class!*

Sorority meetings and things pick up a bit.

After the Study Time . . .

*Once or twice a week during winter quarter, basketball
games are the top attraction.*

*Saturdays are the days for
forgetting the books and
taking life easy at the
college lake.*

... Come Hours of Relaxation

*In the fall the hours of band practice pay
off during halftimes of the football games.*

*Saturday night and the big date usually
is a dance of some sort.*

And so, goodnight.

Madam Chairman, I make a motion that we merge. With whom? Well, the next door bunch is pretty convenient, let's ask them. Well, how handy. You say your organization has just been disbanded, nationally. Come onna' our house, come on. Of course, you realize that whatever is ours is ours, and whatever is yours is ours. Just bring the house and come on. We'll have a ball. So what if the price on Delta Sigma pins drops on the market. We're a corporation now!

Now, girls, we hope you realize that this college life can be difficult unless you are able to make the right contacts. We also realize that tremendous pressure is being exerted upon you from the other sororities; pressure, we might add, that is sometimes difficult to repulse. Our group has to fight the same pressure. The newness of some groups, the numbers of others, and the money from both are almost insurmountable; however, we believe we have successfully overcome these difficulties in securing the *right* pledges. You see, girls, we give Green Stamps!

Men, we've got a problem! Mr. Treasurer, will you give the financial statement? Yes, sir. For the semi-annual, fiscal year, sub-quarterly, bi-weekly era, just ending Tuesday, it shows right here that we have been spending entirely too much money on paint remover. If that rock doesn't stop getting painted, we're ruined! Very well, Mr. Treasurer. Any suggestions from the floor? Yes, let's bring it in and use it as a foot-warmer in the dormitory and be done with it. Motion passed.

September, October—the tension mounts—November, December—it's almost unbearable—January, February, whoops! It finally happened. Three loyal members made the Dean's carpet. Our fling at fame met an end. For once it was calculated that not one Sig Tau was going to make that long journey down the carpet. Oh, well, all good things must end. The record has been established, anyway. Six months should stand up for a few years. Pin a star on the door.

No, Mr. Police Chief, we haven't been hiding a symphony orchestra in the basement. The neighbors must be imagining things. Monge! Front and center. It has been brought to our attention that either you or that Hi-Fi set has got to go. And furthermore, unless those bird calls and Tarzan yells cease immediately we'll take Windy away. You've got all the cats in the neighborhood going 'apey' and the SPCA is about to swoop down on us. Mr. Lewis, would you care to comment on this? Yes, I cannot understand the overabundance of rowdiness which has overtaken this organization. Unless it is stopped, I will be forced to resign.

Men, we've been chastised! Whoever is responsible for painting those runways on the sidewalks must be punished. Very well. Into the car, down the street, into the driveway. Bang! A 12-gauge shotgun goes off, the gendarmes are on the way, we're surrounded. Mr. Student Activities, we are innocent. Since when is it a crime to pull into a driveway in order to turn around? So what if it's a one-way street. We're only going one way. Home. We accept your apologies, Sigma Pi. Case closed.

Men, it has become necessary to appoint a new officer for this organization. Recent midnight requisitioning has become so annoying that we have no alternative but to put a decided end to such carryings on. Therefore, be it resolved that a Refrigerator Regiment will be organized and a Cold Spot Captain will command the group. Such action must be taken, not through choice but necessity. Let's face it, if they don't quit stealing that bacon, we're going to starve!

Band and Orchestra

Band Director Westcott and Drum Major Fair prepare to give the go ahead to Eastern's marching band at the Homecoming football game.

The impressive marching band snaps to attention before playing the national anthem prior to the opening kick-off.

Marching Band

Peppy majorettes prance in front of the band during half-time show which the band preformed at every football game.

The band swings into the large E! to conclude another half-time show.

Eastern Symphony Orchestra, shown here practicing in the quonset hut, presented its annual winter concert under the direction of Dr. Earl Boyd.

High school students take over every summer during band summer camp.

News Cops All-American, 21st Medalist

They cuss and discuss it, but they read it. Russ Herron took over the News last fall expecting a rather average year of covering the campus news, but, like his predecessors, Herron found out that there is no such thing as an "average" year for a News editor. After campaigning for everything from "pop" concerts to a new student constitution, the News found itself smack dab in the middle of a hot controversy over the policy of students abusing the freedom of expression by public denouncement of individuals. The letter writing dropped off, but a point had been made.

The News managed to continue its rather impressive record of racking up top honors in collegiate press ratings by winning an All-American award from the Associated Collegiate Press and its 21st Medalist award from the Columbia Scholastic Press Association.

Sports Editor Harold Snyder and Columnist Larry Gordon, both old vets on the News, take a look at a page proof.

Photographer Ben White and Associate Editor Jim Garner try to act busy for the picture taking ceremony.

Business Manager Warren Lowry and Glenda Mullis check advertising accounts and keep the business end of the News functioning smoothly.

Reporters Tafara Wondi, Avice Mendenhall, and Fred Cutlip check the assignment sheet on the News bulletin board for the week's work.

Bruce Shaeffer, at typewriter, Delane Lindenmeyer, Carol Hoedebecke and Barbara Walsh prepare copy for the next edition.

Carol Winters and Johanne Fairs check the mail for publications from other schools. "Big Daddy" Lowry was responsible for the handy dandy mail box.

Dean Nugent, sports editor for the first quarter, explains make-up to his reporters, Paul Granquist, Jim Ozier, Russ Atkins and George Webb.

Howard Decker, Amare Worku and Lyn Krueger check the News "morgue" before writing stories for the next edition.

Dr. Francis Palmer

“Well, it’s a student newspaper.”

Ask ten years of *News* and *Warbler* staff members what this man Palmer does that commands such high respect, and the answer will invariably be: “Doc believes an advisor’s job is to advise; not censor.”

Norman Catt, J. W. Oglesby, Clare Roeslein and Jim Garner look over the dummy and try to decide what the next move will be. Meetings were held at the Palmer House.

Warbler Stretches Out

Changes we made. Deadlines we almost made. Coffee we did drink. Crazy we almost went. And, after the smoke cleared the book somehow managed to fall together. Our only comment is, "It's bigger."

Warbler Choices

Scotty Marshall

In the opinion of the Warbler staff, these five people represent leaders of this campus. Rather than attempting to pick a leader from a particular field or activity, these persons were chosen on true leadership ability displayed. The staff decided the selection of top people on campus could have been determined by an election, but working against deadlines doesn't always allow for such things; so, here we have the Warbler Choices for 1956-57.

Who's Who

The BIG LETTER (from Who's Who headquarters) said to elect 29 people, who, from that moment on would be known as Who's Whosers. The little letter (from the college) said to nominate 40 potential Who's Whosers. Whom to select for Who's Whosers was a problem. Only 27 Who's Whosers could be nominated. But, we needed 29, at least, to fill the ballot. What to do, said the people? How can we elect 29 without giving someone two Who's Whosers. Let's just GIVE the 27 people Who's Who's and be done with it. They did. So, one dark night, the Who's Whosers slipped into Old Aud, admitting that they had more or less backed into this honor and had the above picture taken.

Grand Old Man of Eastern

Dr. Charles P. Lantz
'Pop'

'Pop' Lantz Named to NAIA Hall of Fame

Dr. Charles P. Lantz, athletic director at Eastern from 1911 until his retirement in 1952, was honored this winter by the National Association of Intercollegiate Athletics when he was named to the Helms Athletic Foundation Hall of Fame in ceremonies at Little Rock, Arkansas.

Dr. Lantz was recommended for the Helms Foundation Hall of Fame by the members of District No. 20 of the NAIA. He is the only person from Illinois to be given this honor for outstanding contribution to football.

The award banquet was held in conjunction with the NAIA sponsored Aluminum Bowl football game which was played Saturday, December 22, in Little Rock. The game, between Montana State and St. Joseph, Indiana, was featured as the CBS football game of the week on television.

From 1911 to 1935, Lantz coached Eastern teams in three major sports—football, basketball, and baseball. In the early years of Eastern's athletic program, until 1932, Dr.

Lantz directed sports and physical education for men without assistance.

In 1935 he gave up his coaching duties in football and basketball but retained the baseball team, which for 39 years had no other coach.

In 1950-51, illness forced Dr. Lantz to discontinue coaching but the following year he returned to guide the baseball team. He retired as coach and athletic director at Eastern on September 1, 1952.

In Dr. Lantz's 24 seasons as football coach, Eastern won 94 games, lost 66, and tied 13. He had only nine losing seasons, while winning three conference championships during that period.

During his tenure at Eastern, the Panthers have played in various collegiate athletic conferences. In 1912 Eastern was admitted to the "Little Nineteen" conference, which was modified and changed to the Illinois Intercollegiate Athletic Conference in 1920.

Panther Cindermen Enjoy Top Season

Coach Maynard O'Brien's Cindermen enjoyed one of their best seasons in several years. The Panthers won six dual meets and lost none. They finished first in the Illinois State Meet, and placed third in the conference.

Two new school records were set and one other was equaled. Ray Fisher set a new school shot put record with a toss of forty-nine feet, five and a half inches. John Byrne set a new discus record with a one hundred forty-four foot, eleven inch throw. Winston Brown equaled the two hundred-twenty yard dash record set by Jim Johnson in 1951. The time was twenty-one seven.

Graduating seniors are: Beals, Edmundson, Matheny, Knicley, Byrne, Carter, Mitchell.

This year's track team had returning record holder Ray White, who held school records in the broad jump, 120 yd. high hurdles, and 220 yd. low hurdles. Before the season was half finished three more records had been broken.

Ray Fisher topped the school shot put record, John Byrne smashed the school discus mark, and Winnie Brown equaled Jim Johnson's record in the 220 yd. dash.

John Byrne is the only man lost by graduation from this year's record holders.

A Long, Cold Spring

Coach Clifton White's diamond men were guilty of neglect. They neglected hitting, fielding, and pitching. The result of this neglect was won-lost statistics of 8-16 for an over-all season record. The neglect showed up even more in the IIAC standings. Eastern's Panthers could only scrape up one win in the conference, while losing 11. This gave them last place in the IIAC standings.

Frank Wolf, sophomore shortstop, paced all Eastern batters with a .392 average for 21 games. Wolf garnered 20 hits in 51 times at bat, including two homers, a triple, and two doubles. In IIAC competition he was the only man to hit over .300 with his .387 mark for league play.

The only other regular to bat over .300 for the season was outfielder John Keiser, with a .301 average.

It was really that bad, Coach White.

Roger West, senior fullback from Wyandot, and Jim Bryant, sophomore guard from Champaign, were named to the second team of the IIAC squad. Darrell Brown received a special mention.

Best Confo Record Since '50 on Only Two Grid Wins

The Panther gridders compiled their best Interstate Conference record since 1950 but finished sixth in the league standings. Coach Keith Smith's squad went into the final game of the season against Western with a 2-3 mark in the IIAC and a chance to tie for second place. The Leathernecks, however, took undisputed possession of the number two spot by handing Eastern a 58-14 defeat and dropping the Panthers to sixth.

Several Panthers rated among the league leaders in individual offense. West was eighth in rushing with 284 yards; Gary Anderson, senior quarterback from Litchfield, was second in passing with 22 completions in 54 tries; and West tied with Jerry Miller of Eastern Michigan for fourth in punting with an average of 34.8 yards per kick.

Assistant Coaches for the Panthers are Walt Elmore, line coach, Hop Pinther, freshman-sophomore coach, and Bill Groves, backfield coach.

Coach Keith Smith found the going rough, to say the least, in his first year as head coach of Eastern's gridiron Panthers. The only bright spot in a gloomy season consisted of a dim glow in the form of an improved conference record by virtue of wins over Illinois Normal and Northern. Sad to say, these wins constituted the victory column for 1956.

After a very successful high school coaching career, Smith entered the collegiate field last fall.

West moves in for the kill

Eastern's cross country squad, composed mainly of freshmen, finished the 1956 season with one dual victory in five outings and placed sixth in the Interstate Conference meet at Dekalb.

Rawlan Lillard, freshman from Danville, paced the harriers during the season and finished sixth in the IIAC meet. Lillard placed first in the Panthers' 19-35 win over Union College of Jackson, Tennessee, and was second by only half a step in a meet with Southern. He ran in the number two position in the Western meet.

The Panther squad entered in the IIAC meet by O'Brien included Lillard, Michael Harvey, Paris; Dick Storm, Mattoon; Dick Kragler, Mattoon; Dan McKenzie, Homer; Wes Walker, Danville; and Ed Landers, Springfield.

Eastern's 'Johnny-Come-Lately' Panthers Take Fourth at Kansas City

After the smoke cleared away at Kansas City, the Panthers were in possession of the Fourth Place trophy at the National small college tourney.

Eastern's Panthers ended the basketball season in a whirlwind finish this year as they unexpectedly went to Kansas City to take fourth place in the NAIA tournament. Western, originally slated to play in the District 20 playoffs at Macomb, received a direct invitation to play at Kansas City. Then, when Northern refused the bid to play at Macomb, Coach Carey accepted, and spent that morning rounding up his squad.

At Macomb, Carey's charges defeated McKendree 87-82, and then Millikin 70-64 to win the District 20 playoffs.

In the NAIA opener, the Panthers crushed Highland University of New Mexico by an 88-76 score. After this win, the Panthers met highly rated Villa Madonna, who upset West Virginia, the nation's top scoring college, in the first round. Eastern humiliated the Villa Madonna team by a

110-78 margin. This 110-78 score represented the largest score rolled up in a single game in this tourney.

Immediately, the Kansas City sportswriters pegged Eastern as "the Cinderella team" and "the team that amazed the experts."

The Pied Pipers of Hamline University were the Panther's next victim. The Panthers edged the Pipers by two points, 83-81, and gained the semi-finals.

Eastern was the victim of too much height and All-American Jim Spivey as the Panthers bowed to Southeastern Oklahoma 95-81.

The consolation game served as an experiment with several innovations on trial. Eastern fell to Pacific Lutheran in an 87-85 contest, and had to settle for fourth place.

Due to their outstanding play in Kansas City, Milholland was picked to the all-tourney first five and Ludwig to the second team. Both men were presented Bulova wristwatches at a formal presentation after the final game.

To add to these honors, Milholland was picked to the All-IIAC Conference first five. Ludwig received honorable mention, and was voted the most valuable Panther player for the 1956-57 season.

Also, Milholland's 653 points in 30 games tops the 514-point mark set in 1955-56 by Dean Brauer. Ludwig also went over Brauer's high, scoring 522 points. Milholland averaged 21.8 for the season and Ludwig averaged 17.1.

Matmen Pin Down Winning Season

Eastern's 1957 wrestlers repeated in their winning way as they compiled a 6-5 record for the year. Warner Semetis won the conference championship in the 123 pound division, placed second in AAU competition in Illinois, third in the Wheaton tournament. Jim Bryant, 191 pound division, came into the most wins for the year.

Pete Hatfield, team captain for his second year, was another Panther standout. Vern Vierk and Dave Decker were other top wrestlers on the squad.

Coach Pinther, in his fourth year, has continued his building plans and this year's team was probably the strongest Eastern team in the sport's history.

Sigma Tau Gamma breezed through four wins in the Fraternity Football League, and then defeated Douglas Hall and the Campus Cappers to cop the championship in the playoffs. The Sigma Tau Gamma wins were due, in part, to Lyle "Buck" Button's feared "poison-ivy" sneak.

Tau Kappa Epsilon defeated Douglas Hall for third place.

Intramurals were directed by Coach O'Brien fall and winter quarters, and by Coach Pinther spring quarter.

John Byrne served as assistant to the director for the 1956-57 season.

TOUCH FOOTBALL CHAMPIONS: *Front*—Pucini, Steward, Dailey, Gonzales, Kreuger, Turner, Muchmore, Hearn. *Quarterback*—Foran. *Second*—Wolf, Kies, Granquist, Brooke, Button, Huffman, Shaeffer.

Sig Taus, Cappers Top IM Play

Sigma Tau Gamma also had a few soccer players around. They came through in soccer to cop another championship. In the process Jim Muchmore earned the title, "Terror of the Costa Ricans" as he collided with "Paco" Rojas who came out of the encounter with a broken leg. Rojas played for the second place Tau Kappa Epsilon group.

Koop Hall came in third as Douglas Hall gained another fourth.

Sigma Tau Gamma slipped in another championship in volleyball as the Blasters of the Independent League were disqualified for using an ineligible player.

The Fossils "A" team batted down second place, with Sigma Pi coming in third.

In the League A play-offs, the Campus Cappers defeated the Sigma Tau Gamma group, and then went on to defeat the Gunners to take the basketball championship.

The Rinky Dinks placed first in the B League, League C winners were the Mouses, and Phi Sigma Epsilon copped the D League title.

The wrestling trophy went to the Cappers as they earned 39 points. Unattached wrestlers gathered 25 points for a mythical second place.

Runners strain for the tape in Intramural Track and Field competition.

Douglas Demons Take Track Championship

The Douglas Hall Demons took the track and field championship last spring as seven records were set in this sport.

Tau Kappa Epsilon took second.

Six records were broken and one record was tied in the 1956 Intramural Track and Field Meet.

Intramural Basketball Action

BASKETBALL CHAMPS: Front—Cornell, Holley, Lash, Betzer. Second—Dailey, Dill, Van Cleave, Coach Hise.

Gymnastics

Good Turnout -- No Stayout!

The big problem in gymnastics is keeping potential gymnasts on the squad.

Although the squad is primarily an exhibition group, they did gain fifth place at the Western Invitational meet. This, and losses to Ball State, Southern and Western represented the competitive side of the season. A spring exhibition schedule and other exhibitions make up the rest of the season.

Top men on the squad include Bill Lathrop, Bill Jones, and Don Kitchen.

Bill Jones

Front—Holmes, Scholwin, Debois, Thompson. Second—Lenz, Jones, Buch, York, McIver. Third—Kitchen, Lathrop, Myers, Kay, Murphy, Wendling, Coach G. oves.

WAA

The Women's Athletic Association added canoeing to their list of activities this year. Other events were banquets, the Spring Modern Dance Recital, a volleyball tournament, social and square dancing.

Mary Jane Lisak, Bonnie Smith, and Elaine Frantz were delegates to the seventeenth national conference of the Athletic Federation of College Women at the University of Nebraska.

This was a big year for WAA in that they celebrated their twenty-fifth anniversary. The annual WAA banquet was held May 2.

Bowling takes the winter's spotlight in WAA sports.

Action in the volleyball tourney

Eastern athletes were honored at the annual award banquet held at the college cafeteria last spring. Coach Mervin Baker, head coach of Charleston High, and Athletic Director Emeritus Charles P. Lantz were guest speakers.

President Robert G. Buzzard presented blankets to eligible senior lettermen. Athletic Director John W. Masley presented sweaters and jackets to varsity lettermen.

Senior blanket winners gather around their award.

Eastern Athletes Feted at Award Banquet

Graduating seniors can now rest on their laurels.

The Muscle Menders

Seven miles of tape, gallons of liniment, and a host of sore muscles, cuts and bruises, are only a few things that trainers Dave Casstevens and Jerry Jarvis must contend with in a season of varsity athletics.

These two men are behind the scenes in every varsity practice or game that an Eastern athlete participates in. If

a man is injured in any way, it is Casstevens' and Jarvis' job to come to their immediate aid.

Casstevens is in his third year as varsity trainer, and his understudy is freshman Jerry Jarvis. Both of these men put in approximately forty hours a week, plus their regular school assignments. They have been called everything from Eastern's two forgotten men to the second set of coaches.

Trainers, Jerry Jarvis and Dave Casstevens tape an unidentified player.

Golfers Still in Rough

Eastern's golf team couldn't find pars or birdies and racked up another losing season.

Coach Carey's golf squad had their good day when they were downed by Millikin, $8\frac{1}{2}$ - $6\frac{1}{2}$.

The standouts for the Panthers were Waggoner and Hintz.
